Ireland

Author's Notes:
Remember my fic wedding? Someone said that it won't be real. CONGRATS Ireland for legalization gay marriage! Written when I heard the news on tv.

I picked up my phone. It was Lars. He won't call me at three at the morning if this isn't something serious.

"What's up honey?" I asked with my sleepy voice.

" You love me, don't you? So pack your suitcase and we'll meet at the airport at 5 in the morning. Love ya' remember." He break up the call.

So I did like he said. I was afraid that he did something wrong. When I saw him, I hugged him. " Can you tell me what we're going to do right now?"

"We are going to Ireland to get married babe"
